ABOUT ME

I am Altamash Mahmood, a video editor with over five years of experience. I have worked on diverse projects, including the "Dear Sir" YouTube channel with 18 million subscribers. Currently, I am pursuing a BTech in Computer Science and Engineering. Passionate about storytelling and technology, I constantly explore new tools to stay ahead in the video editing industry. My brand, AM Frame Works, reflects my commitment to innovation and quality.

EXPERIENCE

Video Editor at

2019 - 2021

ASAS ACADEMY

Edited and assembled raw footage, applied color correction and grading, and synchronized audio. Collaborated with the production team on storyboarding and creating compelling visual narratives. Added visual and audio effects, maintained high-quality standards, and efficiently managed project files.

Video Editor for

2022 - 2023

GEET MAM (1 million+ followers)

Collaborated with Geet Mam, a prominent content creator with 1.3 million followers on Instagram and 1.3 million subscribers on YouTube. Edited a variety of content, ensuring high-quality visuals and audio. Applied creative storytelling techniques, color correction, and grading to enhance engagement. Managed project timelines effectively, contributing to the growth and success of her online presence.

Video Editor at

2023- 2024

DEAR SIR (18+ Million Subscribers on YT)

Worked closely with 'Dear Sir,' a prominent YouTube channel with 18 million subscribers, to edit and produce engaging video content. Applied advanced editing techniques, including precise cuts, seamless transitions, and impactful visual effects, to maintain high viewer retention. Collaborated with the production team to ensure videos were delivered on schedule while meeting the channel's quality standards. Contributed to the channel's success by enhancing storytelling through innovative video editing.

EDUCATION

St. Michael's Academy

2023 - 2024

12th Grade from CBSE Board
